Respected Dean/Principal/NMC Coordinator,

As we know post pandemic the global order has changed and so has the nature of every profession and ability to do business have got a tangential shift. In order to make sure that the MBBS Students of your Medical college get early exposure to career counselling we would recommend a no cost session as part of our ethical responsibility initiative.

As per recent research published in the Journal of University College of Medicine & Dentistry; Career counselling should be conducted in the early years of medical professional's career, so that students can identify their areas of interest in order to choose the appropriate specialization in the future. As per the ***NMC's CBME Foundation Course*** competency **FC 1.6** it is mandated for all the medical colleges to conduct career counselling seminar at your respective medical colleges.

In this regard, we would like to propose an online /offline career counselling sessions for students of 1st & 2nd Year of MBBS at your esteemed medical college.

Following shall be the points of discussion in this career counselling session:

1) Roadmap to Successful Career in Medicine
2) How to survive Medical School
3) What are the career opportunities after MBBS both clinical & non clinical
4) Global Licensing Pathway exams like USMLE, PLAB, AMC, Middle East Exams etc.
5) Importance of Brand Building for Medical Professionals.

Session Duration: 60 Mins

We would require an auditorium with AV system to deliver the same.

Speaker Profile:

Mr. Chirag Khutia, Career Counsellor & Residency Advisor, Founder, ConsultCK

Mr. Chirag is India's top career coach for students planning for a career in medicine. He has successfully guided over 50,000+ students to choose their right career path. He has 15+ years of experience in International Medical Education domain working with companies like Kaplan Medical, Becker Healthcare, Moksh. In his previous role he also has worked on development of academic product which help track medical education academic delivery as per CBME guidelines issued by National Medical Commission. His students have successfully matched into residency & fellowship programs in USA. He has delivered "Career Planning in Medicine" seminars in more then 350+ Medical colleges across India. He believes "*Pursue excellence, and success will follow.*"

You can find the list of few notable medical colleges where in past Mr. Chirag Khutia has delivered seminar. We look forward to hear from you on suitable date and time to schedule this session. Since Mr. Chirag conducts this session across India, we would prefer to get the date at least 30 days in advance to accordingly plan his travel.

Thanking you in anticipation.

Sub: Credit Points for Webinar
Ref : Your application dated 28/01/2026

Sir/Madam,

Your application for granting credit points to webinar has been accepted.

Council has decided to grant **Two** credit points as per MMC CPD norms approved by **Dr.Vinki Rughwani Hon. Administrator** based upon contents of subject matter, composition of faculty participation etc.

Your organization will be held responsible for any irregularity while conducting webinars.

It will be the responsibility of accredited organizations to see that adequate standards are maintained and also ensure that no excessive fees are charged from delegates.

Organization should prepare report of programme along with attendance list of delegates. Copy stored be sent to MMC for office purpose.

Methodology of feedback evaluation should be maintained.

It will be sole responsibility of organization to deposit required MMC dues. Clearance of dues only permits to clear next webinar.

Organization shall strictly issue the certificates to delegates as per guidelines issued by MMC.

Observer shall be paid honorarium Rs.1000/- per day per Webinar by the organizers.
