

2.2.3 - Institution facilitates building and sustenance of innate talent /aptitude of individual students (extramural activities/beyond the classroom activities such as student clubs, cultural societies, etc)

- Institute stands as a paragon of educational excellence, exemplifying a commitment to holistic development and outstanding achievements. The institution's success is not merely measured by academic accomplishments but extends into diverse arenas, showcasing a comprehensive and well-rounded approach to education.
- Four students Jay Chandak, Uttkarsh Bhosale, Piyush Chinchkar and Pawan Karle were selected for Summer Internship Program (SIP) 2025 and awarded completion certificate.
- Sportsmanship and team spirit flourish within the college, as evidenced by the triumphant performances in the sports activities.
- Got winner prize in volleyball tournament at pyrexia 2025 conducted by Dr. Ulhas Patil Medical College, Jalgaon as part Godavari inter college tournament 2025. This reflects not only the academic prowess of the students but also their ability to excel in competitive and intellectually challenging environments.
- Complementing this, music classes at the girls' hostel, led by a dedicated music teacher, nurture creativity and emotional resilience. These sessions, offering vocal and instrumental training in diverse genres, provide female students a stress-relieving outlet, fostering teamwork and cultural appreciation. Held in the hostel's safe environment, they promote inclusivity and personal growth.
