### STEP4

At every stage, it is to be noted that the purpose of regulation is preventive (so all the **preventive steps** enumerated in the Anti Ragging Regulation shall be complied with letter and spirit as first principle of implementation of Anti Ragging Regulation) it is categorically provided that where in the opinion of the appointing authority, a lapse is attributable to any member of the faculty or staff of the institution, in the matter of reporting or taking prompt action to prevent an incident of ragging or who display an apathetic or insensitive attitude towards complaints of ragging, or who fail to take timely steps, whether required under these Regulations or otherwise, to prevent an incident or incidents of ragging, then such authority shall initiate departmental disciplinary action, in accordance with the prescribed procedure of the institution, against such member of the faculty or staff. - 6.2.9 *A round the clock vigil against ragging in the hostel premises, in order to prevent ragging in the hostels after the classes are over, shall be ensured by the institution.*

**6.3. At the end of the academic year:-**

- 6.3.1 At the end of every academic year the Dean/Principal/Director shall send a letter to the parents/guardians of the students who are completing the first year informing them about the law regarding ragging and the punishments, and appealing to them to impress upon their wards to desist from indulging in ragging when they come back at the beginning of the next academic session.
- 6.3.2 At the end of every academic year the Medical College/Institution/University shall form a 'Mentoring Cell' consisting of Mentors for the succeeding academic year. There shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of 1 Mentor for 6 freshers and 1 Mentor of a higher level for 6 Mentors of the lower level.

Each batch of freshers should be divided into small groups and each such group shall be assigned to a member of the staff. In the case of freshers admitted to a hostel it shall be the responsibility of the teacher in charge of the group to coordinate with the warden of the hostel and to make surprise visits to the rooms in the hostel where the members of the group are lodged.

**6.4. Setting up of Committees and their functions:-**

- 6.4.1 The Anti-Ragging Committee:- Every institution shall have an Anti-Ragging Committee and an Anti-Ragging Squad. It shall monitor the Anti Ragging activities in the institution, consider the recommendations of the Anti-Ragging Squad and take appropriate decisions, including spelling out suitable punishments to those found guilty.

6.4.2. The Anti-Ragging Squad:- The Anti-Ragging Squad shall be nominated by the Head of the institution with such representation as considered necessary and shall exclusively consist of members belonging to the various sections of the campus community. The Squad shall have vigil, oversight and patrolling functions. It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots. The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the Anti-Ragging Committee.

All matters of discipline within teaching institutions must be resolved within the campus except those impinging on law and order or breach of peace or public tranquility, all of which should be dealt with under the penal laws of the land.

University Monitoring Cell At the level of the University, we recommend that there should be a Monitoring Cell on Ragging, which should coordinate with the affiliated colleges and institutions under its domain. The Cell should call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committee, Anti - Ragging Squads, Monitoring Cells at the level of the institution, the compliance with instructions on conducting orientation programmes, counseling sessions, the incidents of ragging, the problems faced by wardens or other officials. It should also keep itself abreast of the decisions of the District level Anti - Ragging Committee. This Monitoring Cell should also review the efforts made by institutions to publicize anti - ragging measures, soliciting of undertaking from parents and students each year to abstain from ragging activities or willingness to be penalized for violators; and should function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye - laws to facilitate the implementation of anti-ragging measures at the level of the institution.

#### 6.5. Other measures:-

6.5.1 The Annexures mentioned in 6.1.4, 6.1.5 and 6.1.7 of these Regulations shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.

6.5.2 The Medical College/Institution /University shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.

6.5.3 Full-time warden shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones and the details of their telephone number must be widely publicized. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies. The institution shall review and suitably enhance the powers and perquisites of Wardens and authorities involved in curbing the menace of ragging.

Further the institutions shall provide necessary incentives for the post of full-time warden, so as to attract suitable candidates.

6.5.4 Freshers shall be lodged in a separate hostel block, wherever possible, and where such facilities are not available, the college/institution shall ensure that seniors' access to freshers' accommodation is strictly monitored by wardens, security guards and college staff.

As ragging takes place mostly in the hostels after the classes are over in the college, a round the clock vigil against ragging in the hostel premises shall be provided. It is seen, that college canteens and hostel messes are also places where ragging often takes place. The employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities if any.

The security personnel posted in hostels shall be under the direct control of the Wardens and assessed by them.

6.5.5 Private commercially managed lodges and hostels shall be registered with the local police authorities, and this shall be done necessarily on the recommendation of the Head of the institution. Local police, local administration and the institutional authorities shall ensure vigil on incidents that may come within the definition of ragging and shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within the campus. Managements of such private hostels shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within campuses.

- 6.5.6 Besides registering private hostels as stated above, the towns or cities where educational institutions are located should be apportioned as sectors among faculty members, as is being done by some institutions, so that they could maintain vigil and report any incidents of ragging outside campuses and en route while 'freshers' commute.
- 6.5.7 The Head of the institution shall take immediate action on receipt of the recommendations of the Anti-Ragging Squad. He/ She shall also take action suo motu if the circumstances so warrant.
- 6.5.8 Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.
- 6.5.9 Anonymous random surveys shall be conducted across the 1st year batch of students (freshers) every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. The institution may design its own methodology of conducting such surveys.
- 6.5.10 The burden of proof shall lie on the perpetrator of ragging and not on the victim.
- 6.5.11 The institution shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the part of the police/ local authorities. Remedial action shall be initiated and completed within the one week of the incident itself.
- 6.5.12 The Migration/Transfer Certificate issued to the student by the Medical College/Institution /University shall have an entry, apart from those relating to general conduct and behaviour, whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others.
- 6.5.13 Preventing or acting against ragging shall be the collective responsibility of all levels and sections of authorities or functionaries in the Medical College/Institution /University, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging.
- 6.5.14 As such the college canteens and hostel messes are also places where ragging often takes place, hence the employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities, if any.
- Further access to mobile phones and public phones shall be unrestricted in hostels and campuses, except in class-rooms, seminar halls, library etc, where jammers shall be installed to restrict the use of mobile phones.
- 6.6 Measures for encouraging healthy interaction between freshers and seniors:-
- 6.6.1 The Medical College/Institution /University shall set up appropriate committees including the course-in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.

- 6.6.2 Freshers' welcome parties shall be organized in each department by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.
- 6.6.3 The Medical College/Institution /University shall enhance the student-faculty interaction by involving the students in all matters of the institution, except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

## 7. Regulatory Measures

The inspecting/visiting committees of MCI shall cross verify that the medical college/institution has strictly complied with the anti ragging measures and has a blemishless record in terms of there being no incident of ragging during the impending period (i.e. from earlier inspection) or otherwise.

- 8.2 Penal consequences for the heads of the institutions/administration of the institution who do not take timely steps in the prevention of ragging and punishing those who rag.

The authorities of the institution particularly the Head of the institution, shall be responsible to ensure that no incident of ragging takes place in the institution. In case any incident of ragging takes place, the Head shall

take prompt and appropriate action against the person (s) whose dereliction of duty lead to the incident. The authority designated to appoint the Head shall, in its turn, take prompt and appropriate action against the Head.

6.4.1 The Anti-Ragging Committee:- Every institution shall have an Anti-Ragging Committee and an Anti -Ragging Squad. The Anti-Ragging Committee shall be headed by the Head of the institution and shall consist of representatives of civil and police administration, local media, Non Government Organizations involved in youth activities, faculty members, parents, students belonging to the freshers' category as well as seniors and non-teaching staff. It shall monitor the Anti Ragging activities in the institution, consider the recommendations of the Anti-Ragging Squad and take appropriate decisions, including spelling out suitable punishments to those found guilty.

6.4.2 The Anti-Ragging Squad:- The Anti-Ragging Squad shall be nominated by the Head of the institution with such representation as considered necessary and shall exclusively consist of members belonging to the various sections of the campus community. The Squad shall have vigil, oversight and patrolling functions. It shall be kept mobile, alert and active at all times and shall be empowered to inspect places of potential ragging and make surprise raids on hostels and other hot spots. The Squad shall investigate incidents of ragging and make recommendations to the Anti-Ragging Committee and shall work under the overall guidance of the Anti-Ragging Committee.

All matters of discipline within teaching institutions must be resolved within the campus except those impinging on law and order or breach of peace or public tranquility, all of which should be dealt with under the penal laws of the land

University Monitoring Cell At the level of the University, we recommend that there should be a Monitoring Cell on Ragging, which should coordinate with the affiliated colleges and institutions under its domain. The Cell should call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committee, Anti - Ragging Squads,

Monitoring Cells at the level of the institution, the compliance with instructions on conducting orientation programmes, counseling sessions, the incidents of ragging, the problems faced by wardens or other officials. It should also keep itself abreast of the decisions of the District level Anti-Ragging Committee. This Monitoring Cell should also review the efforts made by institutions to publicize anti-ragging measures, soliciting of undertaking from parents and students each year to abstain from ragging activities or willingness to be penalized for violations; and should function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye-laws to facilitate the implementation of anti-ragging measures at the level of the institution.

**6.5. Other measures:-**

6.5.1 The Annexures mentioned in 6.1.4, 6.1.5 and 6.1.7 of these Regulations shall be furnished at the beginning of each academic year by every student, that is, by freshers as well as seniors.

6.5.2 The Medical College/Institution /University shall arrange for regular and periodic psychological counseling and orientation for students (for freshers separately, as well as jointly with seniors) by professional counselors during the first three months of the new academic year. This shall be done at the institution and department/ course levels. Parents and teachers shall also be involved in such sessions.

6.5.3 Full-time warden shall be appointed as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline, as well as the softer skills of counseling and communicating with the youth outside the class-room situations. Wardens shall be accessible at all hours and shall be provided with mobile phones and the details of their telephone number must be widely publicized. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies. The institution shall review and suitably enhance the powers and perquisites of Wardens and authorities involved in curbing the menace of ragging.

Further the institutions shall provide necessary incentives for the post of full-time warden, so as to attract suitable candidates.

6.5.4 Freshers shall be lodged in a separate hostel block, wherever possible, and where such facilities are not available, the college/institution shall ensure that seniors' access to freshers' accommodation is strictly monitored by wardens, security guards and college staff.

As ragging takes place mostly in the hostels after the classes are over in the college, a round the clock vigil against ragging in the hostel premises shall be provided. It is seen, that college canteens and hostel messes are also places where ragging often takes place. The employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities if any. The security personnel posted in hostels shall be under the direct control of the Wardens and assessed by them.

6.5.5 Private commercially managed lodges and hostels shall be registered with the local police authorities, and this shall be done necessarily on the recommendation of the Head of the institution. Local police, local administration and the institutional authorities shall ensure vigil on incidents that may come within the definition of ragging and shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within the campus. Managements of such private hostels shall be responsible for action in the event of ragging in such premises, just as they would be for incidents within campuses.

10

6.5.6 Besides registering private hostels as stated above, the towns or cities where educational institutions are located should be apportioned as sectors among faculty members, as is being done by some institutions, so that they could maintain vigil and report any incidents of ragging outside campuses and en route while 'freshers' commute.

6.5.7 The Head of the institution shall take immediate action on receipt of the recommendations of the Ant-Ragging Squad. He/ She shall also take actionsuomotu if the circumstances so warrant.

6.5.8 Freshers who do not report the incidents of ragging either as victims or as witnesses shall also be punished suitably.

6.5.9 Anonymous random surveys shall be conducted across the 1st year batch of students (freshers) every fortnight during the first three months of the academic year to verify and cross-check whether the campus is indeed free of ragging or not. The institution may design its own methodology of conducting such surveys.

6.5.10 The burden of proof shall lie on the perpetrator of ragging and not on the victim.

6.5.11 The institution shall file an FIR with the police / local authorities whenever a case of ragging is reported, but continue with its own enquiry and other measures without waiting for action on the part of the police/ local authorities. Remedial action shall be initiated and completed within the one week of the incident itself.

6.5.12 The Migration/Transfer Certificate issued to the student by the Medical College/Institution / University shall have an entry, apart from those

relating to general conduct and behaviour, whether the student has been punished for the offence of committing or abetting ragging, or not, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others.

6.5.13 Preventing or acting against ragging shall be the collective responsibility of all levels and sections of authorities or functionaries in the Medical College/Institution / University, including faculty, and not merely that of the specific body/ committee constituted for prevention of ragging.

6.5.14 As such the college canteens and hostel messes are also places where ragging often takes place, hence the employers/employees of the canteens/mess shall be given necessary instructions to keep strict vigil and to report the incidents of ragging to the college authorities, if any.

Further access to mobile phones and public phones shall be unrestricted in hostels and campuses, except in class-rooms, seminar halls, library etc. where jammers shall be installed to restrict the use of mobile phones.

#### **6.6 Measures for encouraging healthy interaction between freshers and seniors:-**

6.6.1 The Medical College/Institution /University shall set up appropriate committees including the course-in-charge, student advisor, Warden and some senior students to actively monitor, promote and regulate healthy interaction between the freshers and senior students.

6.6.2 Freshers' welcome parties shall be organized in each department by the senior students and the faculty together soon after admissions, preferably within the first two weeks of the beginning of the academic session, for proper introduction to one another and where the talents of the freshers are brought out properly in the presence of the faculty, thus helping them to shed their inferiority complex, if any, and remove their inhibitions.

6.6.3 The Medical College/Institution /University shall enhance the studentfaculty interaction by involving the students in all matters of the institution, except those relating to the actual processes of evaluation and of faculty appointments, so that the students shall feel that they are responsible partners in managing the affairs of the institution and consequently the credit due to the institution for good work/ performance is due to them as well.

#### **7. Regulatory Measures**

The inspecting/visiting committees of MCI shall cross verify that the medical college/institution has strictly complied with the anti ragging measures and has a blemishless record in terms of there being no incident of ragging during the impending period (i.e. from earlier inspection) or otherwise.

#### **8. Awardable Punishments.**

##### **8.1 At the Medical College/Institution level:**

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

8.1.1 Suspension from attending classes and academic privileges.

8.1.2 Withholding/withdrawing scholarship/ fellowship and other benefits

8.1.3 Debarring from appearing in any test/ examination or other evaluation Process.

8.1.4. Withholding results

8.1.5 Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.

8.1.6 Suspension/ expulsion from the hostel

8.1.7 Cancellation of admission.

8.1.8 Rustication from the institution for period ranging from 1 to 4 semesters

8.1.9 Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.

8.1.10 Fine of Rs. 25,000/- and Rs. 1 lakh.

8.1.11 Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

**8.2 Penal consequences for the heads of the institutions/administration of the institution who do not take timely steps in the prevention of ragging and punishing those who rag.**

The authorities of the institution particularly the Head of the institution, shall be responsible to ensure that no incident of ragging takes place in the institution. In case any incident of ragging takes place, the Head shall take prompt and appropriate action against the person (s) whose dereliction of duty lead to the incident. The authority designated to appoint the Head shall, in its turn, take prompt and appropriate action against the Head.

In addition to penal consequences, departmental enquiries be initiated against such heads institutions / members of the administration / faculty members / non-teaching staff, who display an apathetic or insensitive attitude towards complaints of ragging.

**8.3 At the MCI level**

8.3.1 Impose an exemplary fine of Rs. 1 lakh for each incident of ragging payable by erring medical college/institution to such authority as may be designated by the appropriate Govt., as the case may be.

8.3.2 Declare the erring Medical College/Institution/University as not having the minimum academic standards and warning the potential candidates

for admission at such institution through public notice and posting on the MCI website.

8.3.3 Declare the erring Medical College/Institution/University to be ineligible for preferring any application u/s 10A of the NMC Act no. 30 of 2019 for a minimum period of one year, extendable by such quantum by the Council as would be commensurate with the wrong.

# RAGGING

Ragging is a heinous crime against the dignity and self-respect of a student. It is a form of harassment and abuse that is often perpetrated by senior students against their juniors. The law is clear that ragging is a criminal offence and those who engage in it will be punished accordingly.

The Maharashtra Anti Ragging Act, 2013, defines ragging as any act or omission which is intended to cause or is likely to cause physical or mental harm or harassment to a student. The law also defines the various forms of ragging, including physical, verbal, and sexual harassment, and the use of force or threats.

The law provides for strict penalties for those who engage in ragging. For a first offence, the punishment is imprisonment for up to three years or a fine of up to Rs. 10,000, or both. For a second or subsequent offence, the punishment is imprisonment for up to five years or a fine of up to Rs. 20,000, or both.

The law also provides for the appointment of Anti Ragging Officers in every educational institution. These officers are responsible for preventing ragging and for taking action against those who engage in it. They are also responsible for providing support and assistance to students who have been victims of ragging.

It is the duty of every student to report any act of ragging to the Anti Ragging Officer or to the police. It is also the duty of every student to stand up against ragging and to support their fellow students who are victims of it.

Ragging is a crime that is often perpetrated in the name of 'seniority' or 'tradition'. However, it is important to remember that ragging is a form of abuse and it is never acceptable. The law is clear that ragging is a criminal offence and those who engage in it will be punished accordingly.

**प्रस्तावना :-** कामाच्या ठिकाणी महिलांच्या होणाऱ्या लैंगिक छळास प्रतिबंध करण्यासंदर्भात मा. सर्वोच्च न्यायालयाने विशाखा जजमेंटमधील दिलेल्या निर्णयातील मार्गदर्शक तत्वानुसार कार्यालयाच्या ठिकाणी कोणत्याही शासकीय कर्मचाऱ्यास महिलेचा लैंगिक छळ करण्यास प्रतिबंध करण्यात आला आहे. महाराष्ट्र नागरी सेवा (वर्तणूक) नियम, १९७९ मधील नियम-२२-ए नुसार लैंगिक छळवणूक हे गैरवर्तन मानण्यात आले आहे. कार्यालयाच्या ठिकाणी महिलांची लैंगिक सतावणूक झाल्याच्या संदर्भात तक्रार प्राप्त झाल्यास वर्तणूक नियमाचा भंग झाल्याच्या कारणास्तव अशा प्रकारचे गैरवर्तन करणाऱ्या शासकीय अधिकारी / कर्मचारी यांच्याविरुद्ध महाराष्ट्र नागरी सेवा (शिस्त व अपील) १९७९ मधील तरतुदीनुसार शिस्तभंगाची कारवाई करण्याची तरतूद आहे. तसेच शासन निर्णय, सामान्य प्रशासन विभाग, दि.३.८.२००४ नुसार राज्य महिला तक्रार निवारण समितीने एखाद्या प्रकरणी चौकशी करून दिलेला चौकशी अहवाल हा अंतिम चौकशी अहवाल मानण्यात आला आहे. सदर चौकशी अहवाल विचारात घेऊन संबंधित शिस्तभंगविषयक प्राधिकर्याने त्याप्रकरणी महाराष्ट्र नागरी सेवा (शिस्त व अपील) नियम, १९७९ मधील तरतुदीनुसार शिक्केची कार्यवाही करणे आवश्यक व बंधनकारक केले आहे. तथापि अशा लैंगिक छळवणूकीच्या अनुषंगाने प्राप्त झालेल्या तक्रारींची चौकशी करताना कोणती कार्यपद्धती अवलंबावी हा प्रश्न विचाराधीन होता.

२. सामान्य प्रशासन विभागाने शासन अधिसूचना क्र. सीडीआर-१००८/प्र.क्र.४५/०८/११, दिनांक १.४.२०१० अन्वये महाराष्ट्र नागरी सेवा (वर्तणूक) नियम १९७९ च्या नियम २२ -अ च्या अर्थातर्गत कामाच्या ठिकाणी लैंगिक सतावणूकीस अनुलक्षून प्राप्त झालेल्या तक्रारींची चौकशी करण्यासाठी प्रत्येक विभागात किंवा कार्यालयात गठीत करण्यात आलेली महिला तक्रार निवारण समिती ही शिस्तभंगविषयक प्राधिकर्याने नियुक्त केलेले चौकशी प्राधिकरण असल्याचे मानण्यात आले असून, अशा तक्रारींची चौकशी करण्यासाठी तक्रार निवारण समितीकरिता स्वतंत्र कार्यपद्धती विहित केली नसेल तर, महिला तक्रार निवारण समिती महाराष्ट्र नागरी सेवा (शिस्त व अपील) नियम १९७९ मधील नियम ८ मध्ये घालून दिलेल्या

कार्यपध्दतीनुसार जेथवर व्यवहार्य असेल तेथवर स्वतः चौकशी करेल अशी तरतुद केलेली आहे. त्यानुसार, लैंगिक सतावणूकीस अनुलक्षून प्राप्त झालेल्या तक्रारीची चौकशी महाराष्ट्र नागरी सेवा (शिस्त व अपिल) नियम १९७९ मधील नियम ८ मधील कार्यपध्दती अवलंबून चौकशी करण्यासाठी विभागात / कार्यालयात गठीत करण्यात आलेली महिला तक्रार निवारण समिती ही शिस्तभंगविषयक प्राधिका-याने नियुक्ती केलेले चौकशी प्राधिकरण म्हणून काम करेल / असेल.

३. तसेच अशा प्रकरणातील चौकशी ही तात्काळ होऊन संबंधित महिलेला सत्वर न्याय मिळणे अत्यावश्यक असल्याने शासन परिपत्रक क्रमांक मकक/२००७/प्र.क्र.७/ मकक, दिनांक २६ डिसेंबर २००७ अन्वये अशा तक्रारीची चौकशी करण्यासाठी जी कालमर्यादा ठरवून देण्यात आली आहे. त्यामध्ये सुधारणा करणे आवश्यक असल्याने तसा प्रस्ताव विचाराधिन होता.

❖ उक्त परिस्थितीत लैंगिक छळवणूकीबाबतची तक्रार प्राप्त झाल्यानंतर करावयाच्या कार्यवाहीबाबत.

- (४) या मुदतीत संबंधित अधिकारी / कर्मचा-याचे निवेदन प्राप्त न झाल्यास, त्यांचे प्रकरण महिला तक्रार निवारण समितीकडे पाठविले आहे असे त्यांना कळवून त्यांचे जे काही म्हणणे असेल ते आता महिला तक्रार निवारण समितीपुढे सादर करण्यास सुचित करावे; आणि तक्रारदाराचा तक्रार अर्ज, संबंधितावर बजावलेले दोषारोप पत्र व इतर संबंधित कागदपत्रे महिला तक्रार निवारण समितीकडे चौकशीसाठी पाठवावीत. ही कार्यवाही त्यापुढील १० दिवसांत करण्यात यावी.

### Laws and Procedures: Sexual Harassment in the Workplace

#### Vishaka Guidelines against Sexual Harassment in the Workplace

**Guidelines and norms laid down by the Hon'ble Supreme Court in Vishaka and Others Vs. State of Rajasthan and Others (JT 1997 (7) SC 384)**

HAVING REGARD to the definition of 'human rights' in Section 2 (d) of the Protection of Human Rights Act, 1993,

TAKING NOTE of the fact that the present civil and penal laws in India do not adequately provide for specific protection of women from sexual harassment in work places and that enactment of such legislation will take considerable time,

It is necessary and expedient for employers in work places as well as other responsible persons or institutions to observe certain guidelines to ensure the prevention of sexual harassment of women.

1. **Duty of the Employer or other responsible persons in work places and other institutions:** It shall be the duty of the employer or other responsible persons in work places or other institutions to prevent or deter the commission of acts of sexual harassment and to provide the procedures for the resolution, settlement or prosecution of acts, of sexual harassment by taking all steps required.

2. **Definition:** For this purpose, sexual harassment includes such unwelcome sexually determined behaviour (whether directly or by implication) as:

- a) Physical contact and advances;
- b) A demand or request for sexual favours;
- c) Sexually coloured remarks;
- d) Showing pornography;
- e) Any other unwelcome physical, verbal or non-verbal conduct of sexual nature

Where any of these acts is committed in circumstances where-under the victim of such conduct has a reasonable apprehension that in relation to the victim's employment or work whether she is drawing salary, or honorarium or voluntary, whether in government, public or private enterprise such conduct can be humiliating and may constitute a health and safety problem. It is discriminatory for instance when the

woman has reasonable grounds to believe that her objection would disadvantage her in connection with her employment or work including recruiting or promotion or when it creates a hostile work environment. Adverse consequences might be visited if the victim does not consent to the conduct in question or raises any objection thereto.

3. Preventive Steps: All employers or persons in charge of work place whether in public or private sector should take appropriate steps to prevent sexual harassment. Without prejudice to the generality of this obligation they should take the following steps:

(a) Express prohibition of sexual harassment as defined above at the work place should be notified, published and circulated in appropriate ways.

(b) The Rules/Regulations of Government and Public Sector bodies relating to conduct and discipline should include rules/regulations prohibiting sexual harassment and provide for appropriate penalties in such rules against the offender

(c) As regards private employers, steps should be taken to include the aforesaid prohibitions in the standing orders under the Industrial Employment (Standing Orders) Act, 1946.

(d) Appropriate work conditions should be provided in respect of work, leisure, health and hygiene to further ensure that there is no hostile environment towards women at work places and no employee woman should have reasonable grounds to believe that she is disadvantaged in connection with her employment.

4. Criminal Proceedings: Where such conduct amounts to a specific offence under the Indian Penal Code or under any other law, the employer shall initiate appropriate action in accordance with law by making a complaint with the appropriate authority.

In particular, it should ensure that victims, or witnesses are not victimized or discriminated against while dealing with complaints of sexual harassment. The victims of sexual harassment should have the option to seek transfer of the perpetrator or their own transfer.

5. Disciplinary Action: Where such conduct amounts to misconduct in employment as defined by the relevant service rules, appropriate disciplinary action should be initiated by the employer in accordance with those rules.

6. **Complaint Mechanism:** Whether or not such conduct constitutes an offence under law or a breach of the service rules, an appropriate complaint mechanism should be created in the employer's organisation for redress of the complaint made by the victim. Such complaint mechanism should ensure time bound treatment of complaints. (time)

7. **Complaints Committee:** The complaint mechanism, referred to in (6) above, should be adequate to provide, where necessary, a Complaints Committee, a special counsellor or other support service, including the maintenance of confidentiality.

The Complaints Committee should be headed by a woman and not less than half of its member should be women. Further, to prevent the possibility of any undue pressure or influence from senior levels, such Complaints Committee should involve a third party, either NGO or other body who is familiar with the issue of sexual harassment.

The Complaints Committee must make an annual report to the Government department concerned of the complaints and action taken by them.

The employers and person in charge will also report on the compliance with the aforesaid guidelines including on the reports of the Complaints Committee to the Government department.

8. **Worker's Initiative:** Employees should be allowed to raise issues of sexual harassment at a workers' meeting and in other appropriate forum and it should be affirmatively discussed in Employer-Employee Meetings.

of the  
action

9. **Awareness:** Awareness of the rights of female employees in this regard should be created in particular by prominently notifying the guidelines (and appropriate legislation when enacted on the subject) in a suitable manner.

purpose

10. **Third Party Harassment:** Where sexual harassment occurs as a result of an act or omission by any third party or outsider, the employer and person in charge will take all steps necessary and reasonable to assist the affected person in terms of support and preventive action.

11. The Central/State Governments are requested to consider adopting suitable measures including legislation to ensure that the guidelines laid down by this order are also observed by the employers in Private Sector.

**12. These guidelines will not prejudice any rights available under the Protection of Human Rights Act, 1993.**

The Commission shall have jurisdiction to inquire into and to redress any violation of the rights of the persons belonging to the Scheduled Castes and Scheduled Tribes and to provide for the prevention of such violations. The Commission shall also have jurisdiction to inquire into and to redress any violation of the rights of the persons belonging to the Scheduled Castes and Scheduled Tribes who are victims of discrimination on the basis of caste or tribe.
